#### CHAPTER IX

##### Rules under Sub-section (5) of Section 14

16. Appointment of Consultant :—For the purpose of assisting the Board in the performance of its functions, the Board may appoint consultant to the Board for a specified period not exceeding six months :

Provided that the Board may, with the prior approval of the Government, extend the period of the appointment from time to time upto one year ;

Provided further that if the time of the initial appointment the Board had reason to believe that the services of the consultant would be required for a period of more than six months, the Board shall not make the appointment without the prior approval of the Government.

17. Power to terminate appointment of consultant :— Notwithstanding the appointment of a consultant for a specified period under rule 16, the Board shall have the right to terminate the services of the consultant before the expiry of the specified period, if in the opinion of the Board he is not discharging his duties properly or to the satisfaction of the Board or if such a course of action is necessary in the public interest.

18. Emoluments of consultant :—The Board may pay the consultant suitable emoluments or fees depending upon the nature of work and the qualifications and experience of the consultant :

Provided that the Board shall not appoint any person as consultant without the prior approval of the Government if the employments of fees payable to the consultant exceeds Rs. 2,000 (Rupees two thousand only) per month.

19. Tours by consultant :—The consultant may, with the prior approval of the Chairman undertake tours within the State for the performance of the duties entrusted to him by the Board and in respect of such tours he shall be entitled to travelling and daily allowances to Class I Officers of the Government.

20. Consultant not disclose information :— The consultant shall not disclose any information either given by the Board or obtained, during the performance of the duties assigned to him, either from the Board or otherwise, to any person other than the Board without the written permission of the Board.

21. Duties and functions of consultant :—The consultant shall discharge such duties and perform such functions as are assigned to him by the Board or the Chairman and it shall be his duty to advise them on all matters referred to him.

#### CHAPTER X

##### Rules under clause (1) of sub-section (1) of Section 17

22. In addition to functions of the Board mentioned under Section 17 of the Act and without prejudice to the performance of its functions under the Water (Prevention and Control of Pollution) Act, 1974, it shall also be the functions of the Board.—

(1) to advise the industrial licencing authorities concerned including the Central Government and local bodies about the suitability of proposals including selection of site and process for setting up new industries or expanding existing industries within the State (and near the State boundaries that are likely to pollute the air or water within the State), such advice being with respect to abatement of air and water pollution.

(2) to issue or deny No Objection Certificates for the purposes of setting up new industries and expansion of existing industries within the State, considering the applications made in forms specified by the Board in this behalf and the Member-Secretary of the Board shall issue or deny such No Objection Certificates within three months from the date of making an application and the procedure specified by the Board shall be followed in respect of such applications;

(3) to assess the nature and extent of pollution from any source;

(4) to set up a Research and Development service in the field of pollution control;

(5) to carry out Environmental Impact Studies and air quality surveys as directed by the Government or Central Board from time to time in collaboration with other agencies wherever necessary.

(6) to institute fellowships for carrying out fundamental or applied research in the field of environmental engineering or science, provided that the findings of such research will be useful to the Board carrying out its functions, the terms and conditions of such fellowships being as specified by the Board;

(7) to give awards, in cash or otherwise, to persons, industries, institutions or societies for outstanding service in the field of environmental protection.

## CHAPTER XI

### Rules under sub-Section (1) of Section 19

23. Manner of declaration of air pollution control areas—(1) The Government may, after consultation with the Board, by notification in the Gazette declare any area with reference to a map or of any area coming under any one or more of the following as air pollution control area :—

- (1) Village
- (2) Taluk
- (3) Panchayat
- (4) Municipality
- (5) Municipal Corporation

2. The air pollution control areas declared under sub-rule (1) be known by such name or member as may be specified in the notification under the said sub-rule.

## CHAPTER XII

### Rules under sub-section (2) of section 21

24. The form application for the consent of the States Board, the fees payable and period within which application is to be made :—

(1) An application for the consent of the Board to operate any industrial plant for the purpose of any industry specified in the schedule of the Act in any air pollution control area under section 21 of the Act shall be made to the Member-Secretary of the Board in Form 1 in triplicate by the occupier of the industrial plant.

(2) The consent fees payable for making such application shall be as specified in Appendix. II

(3) The application for consent shall contain the particulars specified in Form I and the Annexure thereto. The application for consent shall also be accompanied by the required consent fees, plans, drawings and such other details specified in Form I and the Annexure thereto.

(4) An application not accompanied by the required consent fees or not containing the name, address or signature of the occupier of the industrial and other particulars shall not be entertained and it will be returned by the Member-Secretary to the applicant.

(5) There any persons, immediately before the declaration of an area as air pollution control area, operates in such area any industrial plant for the purpose of any industry specified in the schedule of the Act, such person shall make the application for consent within six months from the date of the Notification declaring such area as an air pollution control area.

## CHAPTER XIII

### Rules under sub-section (3) of section 21

25. Procedure to be followed in respect of inquiry on application for consent :— (1) On receipt of an application for consent under section 21 in the proper form accompanied by the required consent fees and containing the required particulars the Member-Secretary shall forward one copy of the application to an officer of the Board empowered in this behalf (Hereinafter referred to as the inquiry officer).

(2) The inquiry officer shall, accompanied by as many assistants as may be necessary, inspect or cause to be inspected the premises to which such applications relates for the purposes of verifying the correctness or otherwise of the particulars furnished in the application and for obtaining such further particulars or information as he may consider necessary. The officer conducting the inspection may, for that purpose inspect any part of the industrial plant and premises and may require the occupier to furnish to him any information or records pertaining to the industrial establishment.

(3) The inquiry officer shall, before carrying out or causing to be carried out the inspection under sub-rule (2), give notice to the occupier of the intention to do so in Form II.

(4) The inquiry officer may, after carrying out or causing to be carried out an inspection under sub-rule (2) serve notice to the occupier in Form III to furnish to him within such time as specified in the notice such additional information or clarification on the application for consent or any plans, drawings or reports pertaining to the industrial establishment or to produce before him such documents, licences, certificates, etc. as he may consider necessary for the purpose of investigation of the application and may.

Summon the occupier or his agents to an officer of the Board. The inquiry officer may if necessary, again call for further information or clarifications, following the same procedure as above.

(5) Where the directives given in the notice under sub-section (5) have not been satisfactorily complied with by the occupier within such period as specified in the notice or any extension of period given there to, the application may be returned by the Member-Secretary to the occupier whereafter it shall be deemed that no application for consent under section 21 has been made. The consent fees remitted with the application will, in that case, be forfeited by the occupier.

#### CHAPTER XIV

##### Rules under sub-section (1) of section 23

26. The authorities and agents to whom information under sub-section 23 was to be furnished. The authorities or agencies to whom information under sub-section (1) of Section 23 has to be furnished shall be District

Collector, District Medical Officer, Fire Force, Police Authority and Local Body having jurisdiction over the premises in which the emission occurs is apprehended to occur.

#### CHAPTER XV

##### Rules under sub-section (1) and (3) of Section 26.

27. The manner in which samples of air of emission may be taken :—

(1) Any officer empowered by the Board in this behalf shall take for the purpose of analysis sampled of air or emission from any of Chimney, flue or duct, plant or vessel or any other source and outlet, stationary or mobile under sub-section (1) of Section 26. All necessary facilities for access to the place or sampling and for conducting the sampling as required by such officer, shall be provided by the occupier or his agent.

(2) The procedure for sampling air of emission from any chimney, flue or duct, plant or vessel or from any other source and outlet, stationary or mobile, the instruments used for sampling and the method of measuring air pollutants shall be such as may be specified by the Board to suit the situation.

(3) The notice to be served to the occupier or his agent for taking samples for analysis shall be in Form IV.

#### CHAPTER XVI

##### Rules under sub-section (1) of Section 27.

28. The form of report of State Board Laboratory :—When a sample of emission has been sent for analysis to a State Board Laboratory, the Board or Analysis appointed under sub-section (2) of Section 29 shall analyse or cause to be analysed the sample and submit a report of the result of such analysis in Form V in triplicate to the Member-Secretary.

## CHAPTER XVII

Rules under sub-section (3) of Section 27 and sub-section (2) of Section 28.

29. The functions of the State Air Laboratory :—(1) The function of the State Air Laboratory is to analyse or test samples of air or emission sent by any officer empowered by the Board in this behalf and to communicate to the Member-Secretary or such officer, as the case may, be, the result of such analysis or test.

(2) Any addition to or change in the function of the State Air Laboratory shall be as notified by the Government after consulting the Board from time to time.

30. Procedure for submission of samples for report of State Air Laboratory :—The procedure for submission of samples of air or emission for analysis or test to the State Air Laboratory shall be as specified by Government in consultation with the Board and the State Air Laboratory.

31. Form of report of State Air Laboratory and fees.—(1) When a samples has been sent for analysis to a State Air Laboratory, the Government Analyst appointed under sub-section (1) of section 29 shall analyse or course to be analysed the sample and submit a report of the results of such analysis in Form VI in triplicate to the Member Secretary.

(2) The fees for each such report shall be such as may be notified by the Government from time to time in consultation with the Board.

## CHAPTER XVIII

Rules under sub-section (1) of section 29

32. The qualifications required for a Government Analyst.—The qualification required for Government Analyst shall be—

1. M.Sc. in Chemistry or Bio-Chemistry of a recognised University.

Or

B.Sc. (Hons) in Chemistry or Bio-Chemistry of a recognised University with at least second class.

Or

Associate diploma of the Institution of Chemists (India) with at least 50 percent marks

2. Experience in analysis of water/air in the Government Analyst's Laboratory in the State for a period of not less than 3 years of which not less than one year should be in the cadre or "Deputy Government Analyst".

## CHAPTER XIX

Rules under sub-section (2) of section 29

33. The qualifications required for Board Analyst.—The qualifications of the Board analyst shall be in accordance with the regulations made under the Water (Prevention and control of Pollution) Act. 1974 (Central Act 6 of 1974).

## CHAPTER XX

Rules under sub-section (3) of section 31

34. The form and the manner in which appeal may be preferred, the fees payable and the procedure to be followed by the Appellate Authority.—(1) Every appeal against an order made by the Board under the Act shall be in Form VII.

(2) The fee payable for an appeal shall be Rs. 500 (Rupees five hundred) only.

(3) Every appeal shall be filed in quadruplicate and shall be accompanied by—

(i) authenticated copy of the order appealed against, and

(ii) a challan receipt for Rs. 500 (Rupees five hundred) only evidencing payment of fee for the appeal.

(4) The appeal shall be presented either personally or by duly authorised agent or by registered post to the Appellate Authority.

(5) On receipt of the appeal, the Appellate Authority shall endorse thereon the date of its presentation or receipt by post and the name of the appellate or his duly authorised agent presenting it, as the case may be.

(6) The Appellate Authority shall, as soon as may be after the appeal is filed before it, fix a date for hearing of the appeal and give notice of the same to the appellate and to the Member-Secretary in Form VIII, Along with the notice, copies of the appeal and its enclosures shall be forwarded to the Member-Secretary.

(7) Where the material on record is insufficient to enable the Appellate Authority to come to a decision on the appeal, the Appellate Authority may call for such further materials as may be necessary to take a decision in the matter from the persons, concerned.

(8) Where on the date fixed for hearing or any date to which the hearing of the appeal may be adjourned, the appellate or his duly authorised agent does not appear when the appeal is called for hearing the appeal shall be liable to be dismissed.

(9) Where an appeal is dismissed under sub-rule (6), the appellant may, within 30 days from the dismissal of the appeal, apply to the Appellate Authority for the restoration of the appeal and if it is shown to the satisfaction of the Appellate Authority that the appellant had not received intimation of the date of hearing of the appeal or was prevented, by any cause sufficient in the opinion of the Appellate Authority, from appearing when the appeal was called for hearing the Appellate Authority may restore the appeal to file and proceed with the appeal.

(10) The order passed by the Appellate Authority on the appeal shall be in writing and shall state clearly the points before it for determination, the decision thereon, and the reasons for arriving at such decision.

11. A copy of the order passed in appeal shall be supplied by the Appellate Authority to the appellant and to Member Secretary free of cost.

## CHAPTER XXI

### Rules under section 34 and 35

35. Form of budget estimate—(1) The budget in respect of the year ensuing showing the estimated receipts and expenditure of the Board shall as far as may be, based on the model Form IX following the pattern of budgeting of the Government in general.

(2) The estimated receipts and expenditure shall be accompanied by the revised budget estimates for the current year.

(3) The budget shall as far as may be based on the model structure of accounting classification given in Appendix III, following the classification of account heads in Government budgeting.

36. Submission of budget estimate to the Board and to the Government—(1) The budget estimates complied in accordance with Rule 35 shall be placed by the Member-Secretary before the Board by the 5th October each year for approval.

(2) After approval of the budget estimates by the Board, four copies of final budget proposals incorporating therein such modifications as have been decided upon by the Board shall be submitted to the Government by the 15th October, each year.

37. Estimates of establishment, expenditure and fixed recurring charges—(1) The estimates of expenditure on fixed establishment as well as fixed monthly recurring, charges on account of rent, allowances, etc. shall provide for the gross amount without deductions of any kind.

(2) To the estimates referred to in sub-rule (1) shall be added a suitable provision for leave salary based on past experience with due regard to the intention of the members of staff in regard to leave as far as the same can be ascertained.

38. Re-appropriations and emergent expenditure—No expenditure, which is not covered by a provision in the sanctioned budget estimate or which is likely to be in excess over the amount provided under any head, shall be incurred by the Board without provision being made by reappropriation from some other head under which savings are firmly established and available.

39. Power to incur expenditure.—The Member-Secretary or such other officers empowered by him shall have powers to incur expenditure against allotments made in the budget estimates sanctioned by the Board and against sanctioned estimates from out of the funds of the Board subject to observance of the general financial rules of the Government.

40. Operation of funds of the Board.—The funds of the Board shall be operated by the Member-Secretary and in his absence by an officer of the Board empowered by the Board in this behalf, subject to the approval of the State Government.

41. Form of annual report.—The annual report in respect of the year last ended giving a true and full account of the activities of the Board during the previous financial year shall contain the particulars specified in Appendix IV and shall be submitted to the State Government by the 15th of May each year.

## CHAPTER XXII

### Rules under-sub-section (1) of section 36

42. Form of annual statement of accounts of the Board.—The annual statement of accounts of the Board shall be in forms X, XI, XII, XIII, and XIV.

## CHAPTER XXIII

### Rules under section 51

43. The particulars which the register maintained under section 51 may contain.—The register to be maintained by the Board under section 51 of the Act shall be in form XV and shall contain these particulars specified therein.

## APPENDIX I

## FORM I

(See Rule 24.)

(To be submitted in triplicate)

Date.....

From

.....  
 .....  
 .....

To

The Member-Secretary  
 Meghalaya State Pollution Control Board,  
 Shillong.

Sri,

I\*.....occupier of the industrial plant \*\*.....hereby apply for consent under section 21 of the Air (prevention and Control of pollution) Act 1981 for a period upto of.....(not exceeding three years) to operate the above mentioned industrial plant, detail pertaining to it being given in the Annexure and the accompaniments submitted in triplicate as part of this applications.

2. I declare that the information furnished in this application, annexure, accompaniments and appendices, if any, are correct and true to the best of my knowledge and belief.

3. I hereby agree to inform the Board within 15 days of any change in the particulars in respect of the occupier and/or authorised agent.

1. Form I in set of five is obtainable from the office of the Meghalaya State Pollution Control Board, Trival on payment of Rs. 50 Rupees fifty only) in cash or by Money Order.

2. Read the explanatory note at the end of the application form carefully before filling the form

3. I hereby submit that in case of a change either of the point or the quantity of emission or of its quality, a fresh application for consent shall be made and until such consent is granted, no change shall be made.

4. I hereby agree to submit to the Board application for renewal of consent six months in advance of the date of expiry of the consented period if the operation of the industrial plant is to be continued thereafter.

6. An amount of Rs.....(Rupees.....) as the consent fee for this application has been remitted in the office of the Board vide Receipt No.....dated.....an authenticated copy of which is attached as proof of payment.

7. I undertake to furnish any other information called for by the Board within such times as specified by the Board.

Your faithfully,

Occupiers Signature.....

Name.....

Address.....

.....

.....

Note—\*Here enter the name and address of the occupier who in relation to any factory or premises, is the person who has control over the affairs of the factory or the premises and where the said affairs are entrusted to a managing agent, such agent shall be deemed to be the occupier of the factory or the premises.

\*\*Here enter the name and address of the industrial plant.

Accompaniments—(i) Index/Site plan

(ii) Topographical map

(iii) Detailed lay out plan of different process and point sources of the and position of chimneys.

(iv) Process flow sheet

(v) Emission analysis report

(vi) Ambient air quality report, if available

(vii) Details of air pollution control Devices provided or proposed to be provided.

(viii) Copy of the receipt for the consent fee.

## ANNEXURE TO FORM I

Chimney

{ Existing New  
 { Altered.

Note—(i) While filling this Annexure, the applicant (occupier) shall not applicable against which are not pertaining to this industrial plant and no space shall be left blank.

(ii) Any applicant knowingly giving incorrect information or suppressing any information pertaining thereto shall be liable to be punished under the Act.

1. (a) Full name of the occupier.
- (b) Designation.
- (c) Postal address.
- (d) Telegraphic address
- (e) Telex
- (f) Telephone No.
2. Full name and address of the Industry and its registered office.
3. Name/s, designation/s and postal address of authorised agent/agents.
4. (a) Type of Industry (with reference to the schedule of the Act).
- (b) Category of industry. Small scale/Medium scale/  
Large scale.
- (c) Capital investment (with year of investment/.
5. Month and year in which the plant was actually put into commission or is proposed to be put into commission.
6. Location of the industrial plant.
  - (a) Revenue Survey No.
  - (b) Area in Hectares.
  - (c) Village.
  - (d) Taluk.
  - (e) District.
  - (f) Panchayat/Municipality Corporation.
7. (a) State whether the industry Yes/No premises has been declared a prohibited area.

- (b) If yes, state the name of authority making the declaration and furnish a certified copy of the declaration order.
8. (a) State whether the industry is working round the year or seasonal.
- (b) If seasonal, state the period. From.....To.....
9. Number of person attending in the premises.
10. List of individual plants in the industry.
11. List of materials used in process (other than fuels).

Sl. No.	Name of material	Process where used	Consumption in tonnes/day
---------	------------------	--------------------	---------------------------

A process flow diagram must be attached showing the entry and exist points of all raw materials, intermediate products, by-products and products Label process and control equipments and give process description.

(b) Details of fuel consumption.

Fuel identification/Commercial name	Coal	Oil	Wood	Gas	Others
-------------------------------------	------	-----	------	-----	--------

- (a) Daily consumption in tonnes.
- (b) Where used.
- (c) Calorific value.
- (d) Ash content per cent.
- (e) Sulphur content per cent.
- (f) Other (specify).

List of products and by products.

Sl. No.	Name	Quantity in tonnes/day
---------	------	------------------------

## (b) Chimney emission

Ref.No.of chimney in lay-out-plan	Source of emission	Analysis of gas*mg/m				Others
		-----				
		Oxides of hydrocar- Particulates			Others	
		bons

Explanatory Note for filling in Form I and the Annexure.

The notes given only for those items for which explanation is considered desirable. If the space is not sufficient for filling in any item, the details may be given in separate sheets of paper.

Item No. 7: The amount payable as consent fee is specified in Appendix II of the Air (Prevention and Control of Pollution) Rules 1984. The amount may be remitted in cash or as demand draft drawn in favour of the Member-Secretary payable at.

## ANNEXURE TO FORM

'Chimney' Includes any structure with an opening or outlet through which any air pollutant may be omitted.

'Existing' Means that which is in operation at the time of applying for the consent.

'New' Means that which will be brought into operation in future.

'Altered' Means that which has been modified due to change in quantity and/or quality of emission, arrangement and/or point of emission, etc.

Item No. 3. Here give the name/s, designation/s and address/es of the person/s authorised to receive, on behalf of the occupier the 'notice of intention to have sample analysed' served as per section 26 of the Act.

Item No. 4. (a) Here state the type of industry, with reference to the schedule of the Act.

Item No. 4 (b) The Industries are categorised on the basis of the capital investment as follows.

Large scale industry. More than 2 crore rupees ; Medium scale industry. 20 lakhs to 2 crore rupees ; Small scale industry. Less than 20 lakhs rupees.

Item No. 14. Analysis of the flued gas emission, process emission and particulates should be done for each stack emission. Whenever stacks are not provided, the shop floor specific pollutant concentration should be reported. Chemical analysis of the particulate mattering the emission is to be done for organic content, metals, non-metals, contents, silicates, radioactive substances, etc.

Item No. 16 : Here state the total quantity of ventilation air handled by equipments such as roof extractors, evaporative coolers, etc.

Item No. 18 : Here give the detailed specifications (including efficiency) of the air pollution control system used or proposed to be used. Also furnish the lay out of the control systems with dimensions.
